

# Kathleen Elsey 2011 Painting Workshops elsey.com

**"First day out and I fell in love with plein air painting. I love being outdoors in the prettiest scenery you can find! It really was a pleasure learning from you - I love your bright, rich palette, the bold brushstrokes, and amazing compositions. I'm looking forward to taking more classes and can't wait to work with you in Santa Barbara on beachscapes and interiors." Maria**

**"Kathleen, I am a beginning artist who stumbled upon your website today. There is not one piece of your work that fails to fascinate or call for further study. You and Charles Sovek are an inspiration to anyone who enjoys art and color. Thanks for your website and your inspiring art." Ted**

**"I cannot tell you how many times I have reflected on this past weekend with such warm and positive thoughts. Your inspiration and instruction was superb. I feel like I made so much progress in just 2 days! Thank you for a wonderful painting experience." Donna**

**"I attended your workshop last week...I was the one taking baby steps. I just wanted to thank you for making all of your info and 'secrets' available to all of us. It was great to be able to ask you how things work, how to sell yourself, or what steps to take to achieve anything." Sondra**
